PRODUCT DATA SHEET

VARNISHING MACHINE SERIES

# PME-101/102

## Varnishing machine for electronic components

**Double-tank design**

Varnishing equipment for electronic and electrical components, with a specially treated interior, a see-through window with lighting, and a double tank for higher productivity.

PME-101

PME-102

**700 × 530 mm**
INNER SIZE, L × W

**1 HP**
MOTOR, AC 380 V 3-PH

**200 kg**
MACHINE WEIGHT

**1,900 × 850 mm**
FOOTPRINT, L × W

## KEY FEATURES

### Built for varnishing
Designed for varnishing electronic and electrical components.

### See-through window and lighting
A viewing window with lighting makes the process easy to monitor.

### Treated interior
Special inner treatment makes the machine durable and safe to use.

### Double tank
Two tanks used in turn raise productivity and save time and power.
